

CommerceVantage[®]

Smart innovations for smarter businesses.

Your Business Partner for Automated AP Solutions

Commerce Bank is proud to be selected as an Arkansas Hospital Association “Endorsed Business Partner” for automated accounts payable solutions. Arkansas member healthcare organizations can count on dedicated, in-house Commerce support teams to help implement best practices, maximize efficiencies and generate revenue to meet and exceed your AP program goals.

Providing Innovation, Experience & an Edge

CommerceVantage delivers a comprehensive suite of accounts payable products and services that automate invoice processing, workflow and payments. Combining the latest in technology with high-touch service, our tailored solutions eliminate manual, paper-based tasks; reduce expenses; streamline processes and provide an opportunity to earn revenue.

› CommerceVantage AP Automation

Automate your entire AP process - invoice processing and capture, workflow approval and payment - all within a single solution.

- One payment file for all payment types
- Maximize employee resources
- Earn revenue on AP Card payments and Supply Chain Finance

› CommerceVantage AP Card

Earn monthly revenue share by replacing paper checks with card payments.

- We enroll your vendors
- No software to host
- Keep existing banking relationships
