

THE QUALIVIS ADVANTAGE

With Qualivis as your contingent workforce management partner, you're in control. We were created *for* hospitals, *by* hospitals and are endorsed by 14 state hospital associations, including yours. Our comprehensive suite of services can be customized to fit your specific needs and always come complimentary for our clients.

Who is Qualivis?

We are a national provider of workforce solutions. We are a vendor neutral contingent workforce management program that provides access to top talent through partnering with staffing agencies across the country. We have an extensive supplier network in Arkansas comprised of national, regional, local and specialty Joint Commission accredited providers. Our robust suite of workforce solutions includes:

- Healthcare staffing: travel, per diem and locums
- Non-clinical staffing
- Customizable VMS software
- Real-time compliance management
- Supplier requisitioning and communication management
- Billing consolidation
- Payment management
- Customized reporting, including system-wide utilization and spend visibility
- Clinical vetting, interviewing and remediation

Customized Solutions to Fit Your Needs

All services are fully customizable and can be used by your existing team or implemented and maintained by a Qualivis Account Specialist. The choice is yours to do what works best for your facility. *To learn more about Qualivis visit Qualivis.com.*
