

Primary Care Education for Unlicensed Clinical Staff

In medical practices today, physicians and other leaders often find themselves struggling with how to ensure they have competent staff members at all levels. careLearning partners with Remedy to provide eLearning curriculum that can help resolve the competency gap efficiently and affordably.

These modules address the knowledge competencies needed by unlicensed clinical team members such as Medical Assistants and Nursing Assistants (Non-Certified and Certified) who play important roles in their practice.

The Primary Care Education for Unlicensed Clinical Staff Subscription includes courses for:

- Unlicensed Front Office Staff
- Health Care Supervisors
- Unlicensed Clinical Staff
- Unlicensed Pediatric Clinical Staff
- Unlicensed Pediatric Health Care Supervisors
